To the Sisterhood of Temple Sholom:

On behalf of Women of Reform Judaism, we congratulate the Sisterhood of Temple Sholom on reaching a wonderful milestone – your 50th Anniversary. As you 'Honour your Past and Embrace the Future" there is much you have to celebrate.

Your Sisterhood's long history of dedication to the Temple, the Jewish Community, and social justice is exemplary. Your congregation has been strengthened through your support of the religious school, library, scholarships, youth programs, and fundraising to support the facility's infrastructure. The congregation's membership has been enriched through your outreach efforts and your many varied programs. And the world at large has been transformed by your heroic work in assisting refugees, supporting vulnerable populations locally, and ameliorating global poverty through projects like your Tikun Olam Gogos.

Your sisterhood has been a role model for others, and the many WRJ awards you have received is evidence of that. Your award winning program "Understanding the Impact of AIDS in the Jewish Community" in the 1990s inspired life-saving work and more recently your program "A Community Conversation about Death and Dying" brought critical discussions into the community.

WRJ and the WRJ Pacific District have been blessed by the leadership your sisterhood has offered. We are with you in spirit as you celebrate 50 years of Sisterhood success. We are proud of your work and thank you for the many lives you have touched.

Our very best wishes are extended to all members of Sisterhood of Temple Sholom. May you continue to go from strength to strength.

Sincerely,
