

The Florence Melton Adult Mini School & Temple Sholom
are pleased to present

Bereshit I: From Adam to Abraham

The stories of Genesis take us from the universal tales of the creation of the world, the flood, and the Tower of Babel to the foundational tales of Abraham and Sarah, and the beginnings of the Jewish people. The themes of family and faith, honor and dishonor, passion and power provide a rich exploration of our people and ourselves.

The curriculum features a multi-faceted approach to Torah study, which includes modern and classical commentaries that represent a range of orientations. Discussions will highlight the real-life implications of the stories for us in our time.

This Melton Extension course will be offered in two semesters, each 4 weeks long. Students are encouraged to take both semesters, but each semester can also be taken separately.
